Dear Mr. Furtek: Your letter March 5, 1962

My son is still living at the old address, namely, Ul. Srodkowa 4, m-22 (#4 Srodkowa St., Apt. #22) Lodz, Poland. Some of my letters to my wife who lives at the same address, were lost whereupon I started sending my letters by Air Mail Registered to her. In spite of this precaution, during the past year, there were two such letters never delivered to her. The only explanation I have is that somebody working in the Lodz postoffice, deliberately and illegally took the letters. I never reported against the postal workers to the Lodz postal authorities because my private letters were not of such importance as to warrant such action but in this case now, entailing your registered letter to my son and containing important documents, I will write to the Polish Ministry of Post and Telegraph in Warsaw.

I do not know how important the missing document you mention is, but please send me all the returned papers together with the envelope in which they were returned to you, and I will mail them myself to my son. The Affidavit of Support is necessary for obtaining the Visa in the American Consulate in Poland.

I enclose cashier's check for $3.00 to you to cover the various mailing costs incurred by you.

Sincerely,
A. Cechnowski

Dear Mr. Cechnowski:

It was rather surprising to find that this morning the local postmaster called me & he told me that he received my registered letter to your son, Jacek....the one I sent out last November 1961. I have the returned letter in the office & it appears that they (post office) in Poland could not find Jacek at UL.Srodkowa, 4m 22, Lodz,Poland..So after 4 months all the contents came back with exception of 1 document. Where did you son move to? All the papers that I sent you for signature last fall had his above mentioned address..You did not say a thing that the address was wrong. Your documents have a few more weeks to be good...all papers are good for 1 yr now.. & NOW I received your letter inquiring about the Affidavit of Support, etc.. Incidentally, my registered letter to your son was opened by someone & re-sealed...1 paper is missing. I HAVE THE RETURNED LETTER with all the notations here in the office.. So far the mailing costs for registered & air mail letter xxx are about $2.00.

It's too bad that all the material came back due to failure to find your son.. What is his new address ? The above address seems to be wrong..

Very truly yours,

Notary Public

Subject: Jacek Cechnowski

Dear Sir:

Their file ALPHA-C TC-16

On Dec. 13, 1961 I received a letter from the U.S. Dept. of Justice, Immigration & Naturalization Service, Hammond, Ind. stating:

"The petition has been approved and forwarded to the United States Consulate at Warsaw, Poland which the beneficiary or beneficiaries will apply for a visa. Any inquiry concerning the issuance of a visa should be directed to that Consulate."

Shortly after I paid at a local travel service company, the necessary sum to pay passage of my son to LaPorte, Ind. and in due time my son wrote that he had been advised in Poland that his passage is paid in full.

Today, I received a letter from my son containing a letter dated Feb. 19, 1962 which he received from the American Embassy, Warsaw, Poland, stating that he should have an affidavit of support before they can issue him an American visa.

In accordance with your letter to me dated Sept. 16, 1961, I sent or rather returned to you, two notarized copies of the Affidavit of Support forms you had mailed me. Quoting from your letter: "After this is all done, send all the copies to me for I must legalize them in Washington." "In a few days I am going to send you some papers from Immigration office with translations." End of quote. I received the Extract of Birth Certificate and the Certificate of Marriage papers you sent me - but neither I nor anyone else seems to have received the Affidavit of Support.

Will you check into this matter and straighten it out in the shortest possible time.

Sincerely,
Aleksander Cechnowski

Subject: Immigration papers of Jacek Cechnowski

Dear Mr. Furtek:

Today I received a letter from my son Jacek Cechnowski, advising that he contacted the American Embassy in Warsaw, Poland, and he learned that they know nothing yet about papers concerning his emmigration to the United States.

Your letter to me, dated Sept. 16, 1961, stated that shortly after I signed and notarized all documents, you would legalize them in Washington.

What can be the cause of so much delay in this matter? Please check it with the proper authorities and advise me as soon as possible.

Yours truly,

Aleksander Cechnowski

Dear Mr. Cechnowski:

As my father, Mr. Felix Furtek, has been ill for the last 5 months with a bronchicial condition, I have been trying to catch up & finish some of his back work. Even though this is not my type of business, yet I am familiar with some phases of immigration work. As to your case, I am sending you 2 copies of an Affidavit of Support which you must sign your name after the red marks like this: "Aleksander Cechnowski "...this must be done in front of a Notary Public who must also sign his name below yours in the appropriate places. He must put his seal & when his commission expires on the 2 copies.

In addition you will find 2 copies of Polish Affidavit "Zobowiazanie" which you must sign after the red marks in front a Notary Public who must sign his name, place hisseal & when his commission expires. Have the Notary go to Clerk of Courts, Supperior Ct for his certification as a Notary..

After this is all done, send all the copies to me for I must legalize them in Washington. In a few days I am going to send you some papers from Immigration office with translations.

Very truly yours,
Felix Furtek, N P.
By:

P.S. In the 2nd paragraph,when the notary goes to the Clerk of Courts, Superior Ct or Sppreme Ct, a paper with the Clerks seal, must be attached to the "Zobowiazanie"... this will show that the Notary is still active & that he has the right to take oaths, etc....

Dear Mr. Furtek:

Because your letter of June 9th. (returned herewith fully answered) is a little confusing to me, I want to explain to you my situation.

I was married in 1937; my son was born in 1938. In 1939 I went to fight against the Nazi Germans and I spent 5½ years in a German camp as a prisoner of war. After the war I worked for the English Army Of The Rhine in Hanover, Germany. Then, in 1950 I came to the United States as a displaced person. In 1956 I received my Naturalization Papers.

Since 1939 I have not seen my son nor my wife and this is my FIRST EFFORT to bring my son to America. My son IS NOT married.

I will send you my certificate of marriage in a few weeks inasmuch as I have to write for it to Poland.

I trust the above gives you all the pertinent information you may need to bring this matter to a successful conclusion.

Sincerely
Aleksander Cechnowski

The American Consul

Gentlemen:

The following information is given on Aleksander Teofil Cechnowski as per the request of the American Consul.

Mr. Cechnowski has been in our employ since 9-7-50.

He is an engine lathe operator.

His average weekly earnings are $102.40.

To the best of our knowledge this job will be permanent.

I should like to add the fact that he started with us in a common labor grade, but through night school instruction and the desire to improve his status, he has mastered first arc welding, and then machine work. He is very proud of his U.S.A. citizenship.

Szanowny Pani Furtek

Przepraszam za zwłokę w odpisaniu, ale pewne komplikacje w kraju były tego powodem.
Żona moja ciężko chorowała i ostatnio przeszła bardzo poważną operację, w skutek czego przyjaciel swój odłożyła na następny rok, syn natomiast chce przyjechać możliwie jak najprędzej.
W kwestjonarjuszu jaki mi Pan przysłał wypełniłem tylko dane dotyczące syna.
Załączam fotokopję akt na 45 stronach.
Jeżeli będą potrzebne Panu dodatkowe dokumenty, lub informacje, proszę mi niezwłocznie dać znać.
